CALL FOR SUBMISSION OF LATE-BREAKING ABSTRACTS

The Network of Iberoamerican Anthropologists (AIBR) is pleased to announce a Call for Late-Breaking Panels and Abstracts for the *2015 International Conference of Anthropology* which will take place July 7-10, 2015 in Madrid, Spain.

With an open programme featuring more than 200 thematic sessions, the *2015 AIBR International Conference of Anthropology* is a general call for specialists in our discipline, as well as for those who are interested in knowing more about the human condition, both biologically as well as socially and culturally. The purpose of offering late-breaking submission of panels and abstracts is to give researchers the opportunity to present recently generated anthropological research. We strongly encourage presentations in English.

Deadline: Saturday, January 31, 2015.

For panel and abstract submissions, and to check the preliminary program, please visit the Conference webpage: <http://2015e.aibr.org>

¡We look forward to meet you in Madrid!
