<http://2017.aibr.org>

#### CONFERENCE SPONSORSHIP

The Network of Iberoamerican Anthropologists (AIBR) invites companies, foundations, institutions, and other entities to support the 2017 Annual Conference.

Each year, almost 1,000 scholars and students in the discipline of Anthropology gather for four days to share and present research results in panels, papers, workshops, exhibitions, keynote lectures, posters, and multimedia displays.

Our attendees come from over 80 different universities, mainly in Spain, U.S., Portugal, and all Latin America countries.

AIBR welcomes sponsors as an integral part of our Association. We actively engage with our sponsors in creating our conferences and working toward future directions for this organization.
